

Dear Store Manager / Buyer,

Thank you in advance for acting on this request.

I'm a dedicated shopper of your store and would like to encourage you to carry The Great Low Carb Bread Company products in your store. People who are looking to maintain or lose weight commonly follow a low carb or Paleo lifestyle. I've found the GLCBC products like Bread, Bagels, Hamburger/Hot Dog Buns, Paleo Granola, Paleo/Gluten Free Bread, Soft Pretzels, Bread Sticks etc to be the best on the market and would like to get them from your store.

The number of people who live a low carb or Paleo lifestyle is enormous and continues to grow. As a consumer, I feel it's my responsibility to demand high quality, delicious products. GLCBC makes the best low carb, gluten free and Paleo products that I have ever tasted.

Currently I am ordering GLCBC products online (which are lost dollars for your store) and I certainly would prefer to shop locally. I urge you to visit their website at [www.greatlowcarb.com](http://www.greatlowcarb.com) for more information on their wonderful products. Also, many of their products are gluten free & low carb which makes them even better.

These are the products I'm most interested in:

- o Bread, Plain, Cinnamon, Rye, Sesame, Everything, Pumpkin Spice, Pumpernickel, Sourdough
- o Bagels, Multigrain, Cinnamon, Everything, Sesame, Onion, Pumpernickel, Pumpkin Spice, Garlic
- o Hamburger, Hot Dog Buns, Dinner Rolls, Onion Pockets, Soft Breadstick and Soft Pretzels
- o Paleo/Gluten Free Bagel, Hamburger Bun.
- o Paleo/Gluten Free Sliced Bread in Plain, Pumpkin and Cinnamon
- o Paleo/Gluten Free Granola/cereal in three flavors
- o Paleo Muffins in six flavors
- o Low Carb/ Low Fat Brownies and Muffins

Thank you for this consideration.
